

GHOSTBUSTERS

Object of the Game –

Takes place in a library. 2 Ghosts are in the library. The ghosts will throw books at the people inside the library. The people don't know what else to do but to ask Ghostbusters for help. The Ghostbusters take on the mission to fight against the ghosts.

Game Rule –

Ghostbuster is equipped with his proton gun and is ready to fight against the ghosts. Ghostbusters can fire his gun by pressing the K3 button. To move Ghostbuster from left to right press K1 to move left and K2 to move right. If Ghostbuster accidentally shoots an innocent person the energy level of the gun will be reduced. Ghostbuster will lose energy of gun after continuous firing. An energy box will appear in the Library, by picking up the box Ghostbuster can increase energy. The ghosts will throw books at Ghostbuster from different directions in the Library and if hit by the books he will lose a chance. Ghostbuster should eliminate all the ghosts and avoid getting hit with books to successfully complete missions. Ghost 1 and 2 can only be destroyed by hitting twice. Ghost 3 can be destroyed by hitting once.
