

OPERATION CHART: MODULE QW-1002

- Press **(B)** for an outline of all functions.

READING THE DISPLAY

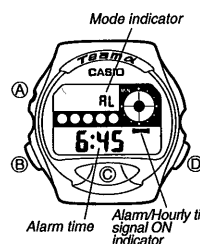

SETTING TIME AND DATE

Display automatically returns to the time display if left unused for a few minutes.

USING DAILY ALARM

The alarm beeper will sound for 20 seconds every day at the preset time until cleared when daily alarm is set. Press any button to stop beeper. A signal will sound every hour on the hour if time signal is set.

Setting daily alarm

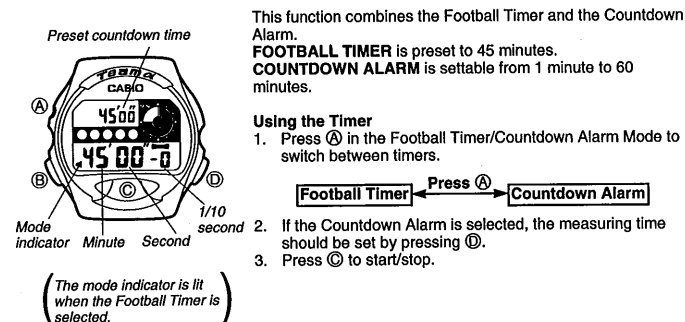

- Press **(A)** in the Daily Alarm Mode to set new alarm time.
- Each press of **(B)** shifts flashing position.

- Pressing **(C)** increase the digit one by one. Hold down for rapid advance.
- Press **(A)** to complete.

Display automatically returns to initial Alarm Mode display if left unused for a few minutes.

USING FOOTBALL TIMER/COUNTDOWN ALARM

This function combines the Football Timer and the Countdown Alarm. **FOOTBALL TIMER** is preset to 45 minutes. **COUNTDOWN ALARM** is settable from 1 minute to 60 minutes.

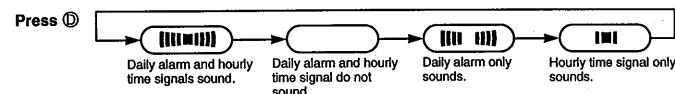

Using the Timer

- Press **(A)** in the Football Timer/Countdown Alarm Mode to switch between timers.
- If the Countdown Alarm is selected, the measuring time should be set by pressing **(B)**.
- Press **(C)** to start/stop.

- Press **(B)** to reset to the measuring time while the timer is not running.
- A signal confirms start/stop and reset operation. When display reaches 0, a beeper sounds for 10 seconds. Pressing any button stops the beeper. Countdown alarm automatically repeats the countdown.
