USING FOOTBALL TIMER/COUNTDOWN ALARM

Preset countdown time

This function combines the Football Timer and the Countdown Alarm.

FOOTBALL TIMER is preset to 45 minutes.
COUNTDOWN ALARM is settable from 1 minute to 60 minutes.

Using the Timer

1. Press (A) in the Football Timer/Countdown Alarm Mode to switch between timers.

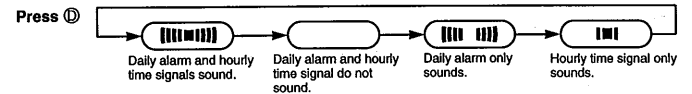

2. If the Countdown Alarm is selected, the measuring time should be set by pressing (B).
3. Press (C) to start/stop.

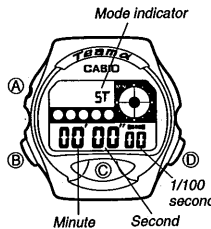

(The mode indicator is lit when the Football Timer is selected.)

4. Press (D) to reset to the measuring time while the timer is not running.
- A signal confirms start/stop and reset operation. When display reaches 0, a beeper sounds for 10 seconds. Pressing any button stops the beeper. Countdown alarm automatically repeats the countdown.

On or off setting of alarm and time signal

USING STOPWATCH

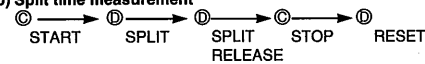

A signal confirms start/stop and split/reset operation. (Working range) Total elapsed time display is limited to 59 minutes 59.99 seconds. For longer times reset and started again.

a) Net time measurement
